INSTRUCTIONS

The Ultimate Challenge

Twin brothers Billy and Jimmy Lee learned to fight the hard way - for survival in the unforgiving city streets. Their brand of combat - classic martial arts manoeuvres mixed with anything-goes street brawling - has turned them into walking lethal weapons.

Now, the Lees must summon all their fighting abilities and cunning into meeting the greatest challenge of their lives - rescuing Billy's girlfriend, Marion. She's been kidnapped by the Black Warriors, the savage street gang led by the mysterious Shadow Boss.

The twins pursue the Black Warriors through the city streets and its outskirts. Finally they fight their way into the Secret Enemy Base. There, Billy and Jimmy meet the Shadow Boss. It's a battle to the finish, with Marion as the prize!

Fighting It Out

- Each player's score, remaining lives, and strength bar is displayed above the fighting screen. Remaining units of time and the current high score are also shown.
- You get 70 units of time to make it through each of the first and second missions. You get 90 units of time to make it through each of the third and fourth missions. In the middle of the third mission, the timer is reset to 90 units of time.

Watch Your Strength

When you begin the fight, your strength bar is full. As you fight and receive blows, your strength is reduced. When the strength bar is empty, that life is over. When the number of lives remaining is 0 and the strength bar has been drained, the game is over.

After each mission you complete (and halfway through the third mission), your strength bar is refreshed, but you **don't** earn more lives. You must get to the Shadow Boss's Enemy Base on your original 3 lives.

Scoring

The score is based on the kicks and punches you land and the types of weapons you use:

Action	Points	Action	Points
Punch	50	Kick	100
Elbow	180	Jump Kick	200
Head Butt	200	Bat	200
Whip	200	Knife	500

Scenes of Battle

Billy and Jimmy Lee clash with the Black Warriors in four different areas. The going gets tougher as the tough get going.

Mission 1: City Slums

Mission 2: Industrial Areas

Mission 3: Outskirts of the City

Mission 4: The Enemy Base of the Shadow Boss

Battle Strategy

- You can't drop your weapon, but it can be taken away from you during the heat of battle. Keep your distance while slugging it out.
- Don't squander your lives early on! You'll definitely need all your strength once you're locked in battle with the Shadow Boss.
- Keep an eye on the timer. If your time runs out before you polish off your opponent, you lose a life. If it's your last life, the game is over.
